Though I did not have the privilege of meeting Kyle personally, I would like to use this opportunity to sincerely thank him for his incredible service to the State of Georgia and to our Nation.

Mr. Speaker, it has been relayed to me that Specialist Gilbert's deepest dream was to serve our Nation in the military, and I thank him for his incredible service and sacrifice so that so many others can share the American Dream. Kyle leaves a legacy of service, dedication, and kindness that will be sorely missed.

Mr. Speaker, I humbly ask that you join me in praying for Specialist Gilbert's family during this time of their bereavement.

#### 21ST CENTURY WOMEN'S HEALTH ACT

The SPEAKER pro tempore. The Chair recognizes the gentlewoman from Oregon (Ms. BONAMICI) for 5 minutes.

Ms. BONAMICI. Mr. Speaker, today I introduce the 21st Century Women's Health Act to increase access to reproductive health care and to provide compassionate care to survivors of sexual assault.

Funding for the government runs out in a matter of hours. Rather than crafting a bipartisan solution on the Nation's budget, House leadership has been focusing on denying women their right to make their own healthcare decisions.

This is 2015. We should be doing all we can to increase access to health

care for women. We should not be rolling back women's rights and cutting access to lifesaving cancer and preventative health screenings for women, men, and youth across the country.

As a mother, a daughter, and a Member of Congress, I understand the value of increasing access to health care for women; and that is why I am proud to introduce the 21st Century Women's Health Act, with my colleagues Congresswoman BARBARA LEE, Congresswoman DIANA DEGETTE, and with our leadership of our ally in the Senate, Senator PATTY MURRAY from Washington.

This comprehensive bill will increase access to preventative health services and contraception for low-income women, and it will help women report instances of inappropriate charges for birth control, a problem that affects too many women across the country. It will also expand the primary care workforce and ensure that survivors of sexual assault are provided with free emergency contraception and compassionate care.

I want my daughter and every woman in this country to live in a place where they have access to affordable healthcare providers like Planned Parenthood, a full range of reproductive choices, and, most importantly, the ability to make their own healthcare decisions.

Colleagues, I grew up before Roe v. Wade, and I know what our country looks like when women don't have access to a full range of reproductive healthcare options. We know that if abortion is restricted, it does not go away.

Let us not return to a time when women had to seek care in the shadows or the back alleys. Let us come together to prevent unwanted pregnancies, and let us champion our march forward toward a more equal society with the introduction of the 21st Century Women's Health Act.

I urge my colleagues to join me as cosponsors, and I look forward to working toward the passage of this important bill.

#### THANK YOU STATE SENATOR BRANDEN PETERSEN

The SPEAKER pro tempore. The Chair recognizes the gentleman from Minnesota (Mr. EMMER) for 5 minutes.

Mr. EMMER of Minnesota. Mr. Speaker, I rise today to honor State Senator Branden Petersen of Andover for his public service. Branden was elected to the Minnesota House in 2010 at the young age of 24 and then re-elected to serve his constituents, but this time in the Minnesota Senate in 2012. Recently, Branden resigned to spend more time with his young family. His leadership in the Minnesota Legislature will be sorely missed.

Branden represents portions of my district, and I have been honored to work with him and to know him. He is a man of great character and principle.

While in office, Branden worked hard to improve Minnesota's schools, economy, and budget, all while being part of a growing family that now includes three little ones at home. It has been wonderful to see Branden's dedication over the past 5 years, and I believe that the people of his district are so lucky to have benefited from his service. Branden's leadership will be truly missed, but I have no doubt that he will find success and happiness in his future endeavors.

Enjoy your time with your family, Senator. You deserve it.

MANUFACTURING DAY 2015

Mr. EMMER of Minnesota. Mr. Speaker, I rise today to celebrate Manufacturing Day and the importance of Minnesota's manufacturing industry.

Manufacturing is one of the main drivers of the economy in my district and my State. Manufacturers generate billions of dollars in revenue for my State each year, making them a key pillar of Minnesota's economy.

Minnesota is home to an impressive 292,000 manufacturing jobs, and the State's manufacturing industry has the second largest payroll of any business sector.

Minnesotans are hardworking people, and they deserve the best that life has to offer. They deserve a strong State economy, which allows for individual growth, prosperity, and the pursuit of happiness. That is why I will continue to emphasize the importance of manufacturing-friendly policies for as long as I serve in Congress.

I am proud to support Manufacturing Day in our country, but I want to make it clear that every day is Manufacturing Day in Minnesota.

HAL BECKER, A SERVANT TO DELANO

Mr. EMMER of Minnesota. Mr. Speaker, I rise today to recognize Hal Becker for his tireless service to the city of Delano and to wish him luck in his upcoming retirement.

Hal graduated from the University of Minnesota in 1977 with a degree in mathematics. Not long after completing his education, Hal began to work at Delano Municipal Utilities and served as the general manager there for 30 years. He was the perfect candidate for this position, as he also graduated from the St. Paul Public Schools electricity course, holds an electrician's license and a water supply system operator license.

Hal has done an outstanding job over the past 30 years, which is proven by the recognition he has received for his work. In 2013, he was the recipient of the impressive American Public Power Association's Larry Hobart Seven Hats Award.

Hal has been a great neighbor and member of our Delano community and, above all, our friend.

Hal, your shoes will be tough to fill, and we will all miss your service. I wish you a peaceful and happy retirement.
